Re: JAMES MILLS

Oct. 6, 1926.

Further to my reports on the above, I today interviewed Captain Edward Fox at Fire Headquarters.

He claims that he does not recall ever having heard about Mills activities at Buccleuch Park nor the talk at Fire Headquarters referred to by Building Inspector Lynch. However, he said he would have a talk with Lynch to see if that might refresh his recollection and that in a quiet way would endeavor to see what he might be able to learn by bringing up the subject in a general way among the men at headquarters.

While he does not care to get mixed up in the case, he said he would gladly furnish Mr. Watson any information which he might be able to secure.

Respectfully submitted:
